About the PIICON 2026:

The IEEE Power India International Conference 2026 (PIICON 2026), the 12th edition of this prestigious series, will bring together scientists, engineers, researchers, industry professionals, and academicians from around the world to share innovations in power and energy systems. Hosted at Siksha 'O' Anusandhan University, Bhubaneswar, the conference focuses on the theme "Sustainable Power and Energy Solutions for Future Electric Grids and E-Mobility." The event highlights the need for global collaboration in addressing challenges such as climate change, renewable energy integration, and the electrification of transport.PIICON 2026 is co-sponsored by the IEEE PES-IAS Delhi Chapter and IEEE PELS-IES Delhi Chapter, with technical co-sponsorship from the IEEE Delhi Section, IEEE Bhubaneswar Section, and IEEE Industry Applications Society (IAS). The conference will feature keynote speeches, tutorials, technical paper presentations, industry sessions, and panel discussions, providing a platform for networking, knowledge exchange, and collaboration between academia and industry to advance sustainable energy and mobility solutions.

About Siksha 'O' Anusandhan (Deemed to be University):
